

SLOVENSKÁ NÁRODNÁ AKREDITAČNÁ SLUŽBA

Karloveská 63, 840 00 Bratislava 4, Slovenská republika

CERTIFICATE OF ACCREDITATION

No. K-004

The Slovak National Accreditation Service based on the decision
No. 066/8631/2020/2 dated 25.09.2020 certifies that

ZTS Elektronika SKS s.r.o.

Calibration laboratory

Trenčianska 19, 018 51 Nová Dubnica

ID Number: 31 598 536

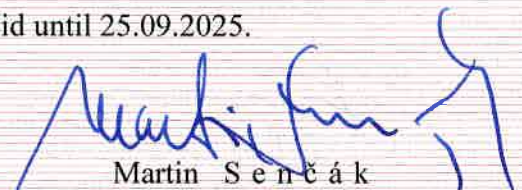

is competent to carry out calibration of measuring instruments for DC and AC voltage, DC and AC current, measuring instruments and standards for electrical resistance, measuring instruments and standards for inductance, measuring instruments and standards for electrical capacity, measuring instruments for frequency and time interval, measuring instruments for revolutions, measuring instruments for temperature, pressure gauges, measuring instruments for torque, speedometers, measuring instruments for relative air humidity, measuring instruments for electrical power, thermocalibrators, measuring instruments for length in permanent laboratory and on customer site; measuring instruments for mass, mechanical vibrations and breathanalyser and provide a measurement of electrical resistance, temperature, speed of movement, AC voltage and current, electrical power, relative humidity of air, measurement of force, measurement of mechanical vibrations in permanent laboratory and on customer site within the accreditation scope delineated in the Annex to this Certificate. The Annex is an integral part of Certificate of Accreditation.

The accredited body gives evidence of competence to perform the accredited activity impartially and trustworthily by meeting the requirements of the ISO/IEC 17025: 2017 Standard.

Accreditation granted on 25.09.2020 is valid until 25.09.2025.
